- Membership commences on receipt of your application in the Green Dragons office. It is your responsibility to renew your membership yearly.

- Qualified Green Dragons Instructors, Club Coaches or Staff Officials may control who takes off etc. from time to time, in order to sustain a safe flying environment.
- A Green Dragons Instructor must be present at all times, for trainees.
- To maintain a Club Coaching / Trainee Instructor / Instructor badge at the Green Dragons Club, you must attend at least 6 coaching sessions per year.
- Whilst using any of the Green Dragon's sites, pilots are responsible for their own actions and no claims will be made against Green Dragons, Land Owners or members of the public for any incident, howsoever caused.
- On arrival @ the Green Dragons Headquarters, you are required to report to the office, to inform a member of staff that you will be flying on site. They can inform you which site is being used by other Club Members/the School.
- You must have another person present while you are flying. It is strictly forbidden for anyone to fly alone, for obvious emergency reasons.
- Each member will receive £10 credit towards personal courses/equipment purchased from Green Dragons for all introductions that subsequently make a course booking with us (on the condition that the lead informs us of where they acquired our number from at the time of booking their course).
